

THE EQUITY

AGRONOMY INTERNSHIP

WHO WE ARE

The Equity is an independent agriculture cooperative headquartered in Effingham, Illinois. Our trade territory includes 22 locations, covering central Illinois and southwest Indiana. We currently have over 500 employees. The Equity has five divisions including: Agronomy, Grain, Feed and Livestock, Energy, and two Retail Stores. Additionally, we have two affiliate brands, a Precision Agronomy dealership and an agricultural spray drone sales and service company. We hold to our brand promise, offering the best products, latest technology, and highest-quality service, done right.

ABOUT THE POSITION

The Equity is seeking Agronomy interns who are pursuing a B.S. degree(s) at a four-year college/university with a major in Agronomy, Crop Science, Agriculture Business, and related fields. Candidates should have strong communication skills, with the ability to pay attention to detail, think analytically, and work independently.

- Work with locations to carry out day-to-day operations
- Complete a research project, analyzing the results & present the findings
- Scout fields for weeds, insects, & disease
- Work with salesmen to learn about their careers
- Participate in weekly supervisor meetings, agronomy training sessions, field days, & Internship Development Program
- Build agronomy product knowledge regarding seed, pests, seed treatments, adjuvants, micronutrients, crop protection products, & fertilizers
- Obtain a CDL & other licensing as needed

APPLY ONLINE

Internship applications are open until November 27, 2024. Apply by scanning the QR code or visiting the link.
