

GREEN CREEK
D R O N E S

DRONE APPLICATION INTERNSHIP

WHO WE ARE

Green Creek Drones, an affiliate brand of The Equity, is a sale to service agriculture spray drone business. We also offer custom field application in partnership with The Equity. The Equity is an independent agriculture cooperative headquartered in Effingham, Illinois. The Equity's trade territory includes 22 locations, covering central Illinois and southwest Indiana. The Equity currently has over 500 employees. The Equity has five divisions including: Agronomy, Grain, Feed and Livestock, Energy, and two Retail Stores. In addition to Green Creek Drones, The Equity also has an affiliate Precision Agronomy dealership. We hold to our brand promise, offering the best products, latest technology, and highest-quality service, done right.

ABOUT THE POSITION

The Equity, with Green Creek Drones, is seeking Drone Application interns who are pursuing a degree(s) in Agronomy, Crop Science, Agriculture Business, Agriculture Technology, or related fields. Candidates with strong analytical and technical skills combined with a passion for agriculture should apply.

- Obtain FAA Part 107-Remote Pilot certificate to commercially fly drones
- Acquire applicable Pesticide Licensing for aerial application
- Read & interpret maps to locate specific fields & field borders
- Communicate clearly with growers, other drone pilots, & ag retailers
- Keep a strong attention to detail in logging application notes
- Hands on experience with ag tech drones
- Physical demand including lifting objects up to 50 pounds
- The nature of the business will require extended hours
